		COLOR 1	Electric Blue - Gloss (ELB)

Built with plenty of room for tires up to 42mm wide, for comfort, grip and adventurous capability. A slack head angle paired with a long 55mm fork rake delivers great stability at speed and great agility where needed. Just what you need for mixed-surface confidence or multi-day adventures. Topstone shares similar stack and reach measurements with our Synapse endurance bikes, for a confident sporty riding position. Full carbon forks on all models, with tapered steerers and 12mm thru- axles, for a light, comfortable and precise-steering front end.

Highlights

SmartForm C2 Alloy Frame, BSA Threaded BB, Removable Front Derailleur Mount, Disc Specific Design, Integrated Rack/Fender Mounts, 27.2 Dropper Post
